Re: Massachusetts Non-Flavored Tobacco Product Certification

To Whom It May Concern:

Massachusetts 105 CMR 665.000, *et seq.,* restricts the sale of "Flavored Tobacco Products," as defined by Massachusetts law. In accordance with 105 CMR 665.010(E), Tabacalera USA hereby certifies that the brands on the attached list (including all SKUs in each brand) are not Flavored Tobacco Products pursuant to 105 C.M.R. 665.005 (meaning they do not meet the definition of flavored tobacco product or tobacco product flavor enhancer and do not have a characterizing flavor) and therefore are legal for sale in the Commonwealth of Massachusetts.

Please retain a copy of this letter for your records at each location that Altadis U.S.A. products are sold in the Commonwealth of Massachusetts.

This letter is true and accurate and the undersigned is duly authorized to make this certification. We will immediately update this letter to correct any inaccuracy or to add or delete brands as necessary.

Sincerely,

Rhondetta Walton
